TOMORROW'S LEADERS
40 High School juniors explored careers in Volusia County through Tomorrow's Leaders!

"I have learned a lot of what goes on behind the scenes in Volusia County. After graduating from residency I hope to be a local family physician and serve the healthcare needs of the greater Volusia County area. My inspiration to serve the community is the Tomorrow's Leaders Program." -- Miraj P. -- Class of 2017

"TSIC allowed me to have the freedom of being able to choose a degree I wanted to pursue. After high school, I attended Embry-Riddle Aeronautical University and am a first-generation female pilot! I now want to give back to the next generation of students and will be a TSIC mentor in 2025-26." -- Allison T. -- Class of 2018
